Yevtushenko said,

"My life has often been by backward glances, few personal emotions, thoughts or wishes, and in my life, its even turns and courses, some generous impulse but nothing finished. Yet always here these means for a new design . . ."

And so this book is, for it is not of this moment — it is of yesterday. Tomorrow you may skim through the pictures, reconstruct a forgotten moment, a memory, and perhaps smile, and for that instant, today becomes yesterday with all its incomplete dreams and unfulfilled desires. As the vision fades, you are taken away, put back into the present, but in the interim you have changed — you have lived; you clutch thoughts and pictures of the past's emotions and you wonder what could have been and what will be . . . a new design from which to build a different tomorrow . . . and a dream.

Sit by my side, come as close as the air,
Share in a memory of grey.
and wander in my words-

and dream about the pictures that I play

of changes.
Scenes of my young years were warm in my mind,
Visions of shadows that shine.
Till one day I returned . . .
and found they were

the victims of the vines

of changes.
The world's spinning madly,

it drifts in the dark,
Swings through a hollow of haze.
A race around the stars,
a journey through

the Universe ablaze

with changes.
a dream itself

is but a shadow
There is a taker in me.
I take things from
out of
the wind
and air.
And give them to my people.
and it is the greatest gift
I
ever can give.

There is a giver in me.
There are people in me.
There is me in people
And I am the
greatest gift I
ever
can give.

A Principal's Goal -
To Keep Pace
With The Times

"For life is a mirror of king and slave, Tis just
what we are and do;"

Graduation is a time at which one often hears
platitudes and euphemisms. It is also a time to
hear reality. You, the first class of the seventies,
have lived with slogans, fast becoming worn out
cliches—"doing my thing", "my hangup", "involvement",
"blowing my mind", "Let's protest". Now
you are taking a "giant step for mankind". You
are ending the period of growing up and step-
ing into the adult world — your society. Will man-
kind be the better for your entrance?

I hope your formal education has opened your
mind and given you the tools to do your thing.
Life will reflect your efforts. All of the wishing
for an improved society will produce nothing if
you are not positively involved.

Will the classes of the 70's be able to stabilize
society? Will they offer security and serenity to
others? Will success be theirs?,

Time alone will answer these questions but in
time we shall all know. Meanwhile I charge you,
the Class of '70, with this challenge

"Then give to the world the best you have
And the best will come back to you."

"The shape of things to come"

— H.G. Wells
I came here alone
Together with all the
people of before.
Three long years
Too long years
So many new souls.
To all the people who
are here
who were not here
before
And will leave alone,
Together.
Three long years
Too long years,
Like flashing lights.
Go round and round
For bursting moments,
Each in its time —

Like cardboard cards
with
Pictures on both
back and front
That flip from
Heads to tails to heads
to tails
To fall in gusts of
dying light.
Three long years
Too long years
Fade in colors from
Red to yellow to brown
to black
Together, alone.

Volleyball Team Successful

This year's volleyball team, under the supervision of Miss Fokken, had a very exciting and successful season. Participants perfected skills and abilities at after school practices. The varsity and junior varsity teams placed second in the LIGA tournament. Badminton, this year, provided many hours of enjoyment. Those involved profited by improving skills and techniques of the game.

Girls' Hockey Team Enthusiastic

Girls' Field Hockey, under the direction of Miss Burkle, had an excellent season. Advanced skills were practiced and perfected by the experienced players and eager beginners. The fine coaching led the girls toward a successful and enjoyable season.

Modern Dance Promotes Grace and Expression

The girls gymnastics team, under the direction of Miss Burkle, strove toward precision, grace, agility and discipline in their various routines. The Olympic pieces included the balance beam, uneven parallel bars, horse, tumbling and free exercise. The girls competed in the Blue-White gymnastic meet, and finalists returned to perform in Sportnite.

Tennis Team has Two Fine Seasons

Tennis this year was offered in the fall and spring. The team, coached by Mrs. Cherry, participated in matches with other schools. The girls' skills improved greatly with practice and experience. Fine performances were shown by Lauree Marcus, Lynne Miller, Abbie Heffner and Lesley Pitiger.
Sportnite — A Blend of Skill, Talent and Imagination
Big Ben chimed and the merry Whites of Windsor from Buckingham Palace lead the night with songs and cheers depicting various stages in England's heritage. White's Yeomen and guards of the palace lead the team in rip-roaring songs and cheers which kept everyone in the stands full of spirit. The capt., who were members of the royal family lead WHITE 1970 to a VICTORY. Shakespeare would have enjoyed the night!!
"We're in stitches over BLUE" displayed fashion from the minuet to the Indians, then to the roaring 20's, and right on to the 1970's. Cheerleaders as pincushions and spinning spools set the stage for an exciting night. Blue team's portrayal of fashion in relation to modern times was cleverly and enjoyably executed. Blue captains claim a victory in their achievements of friendship and sportsmanship.

Friendship was a part of Blue.

Boys’ Sports

Under the direction of Mr. Richard Vercruysse, The Varsity Club helped Oceanside athletics valuably this year. The club was involved in various activities including selling refreshments at basketball games and assisting at athletic events and Girls’ Sportnite. Also, Varsity Club sponsored meritorious Sailors at sports banquets throughout the year.

This year the golf team, coached by Mr. Sullivan, will have little depth to meet the stiff competition around the league. The Sailors use the facilities of Middle Bay Country Club to hold their triangular matches. Returning from last year’s squad are Bert Tremont, Mike Delikat, Stu Maken and Peter Huma.

Varsity Club: First Row: B. Fenster, L. Rosenberg (Pres.), A. Rosenberg (V.P.), V. Barbara.

Coach Frank Dapolito began coaching lacrosse in Oceanside four years ago on the freshmen level. Now he is varsity coach and his former freshmen are matured and experienced lacrosse players. This season culminates four hard years of growth for the Sailors, and with this behind them, Coach Dap's "Fighting Fifteen" is expected to be a leader in Division I.

The team is led by captains Jim Trenz, a 1969 All-League selection on attack, Steve Mann on the midfield, and Bill Giacalone in the goal.

The Sailors have been effective in winning three non-league scrimmages, and Coach Dapolito is looking to a playoff berth in 1970.

Baseball Team Faces Tough Division

Coach Andy Scerbo will have a number of experienced seniors to help him through the season, but the team will meet tough competition in Division I, one of the strongest in the county. Jim Frey and Pat Martone, last year's standouts, have been named captains. The contingent of other returning players includes Bob Marsicovetere, Bob Klein, Dave Harris and Peter Pickens. Added strength will come from promising junior Steve Theobald.
Coach Hendler, who has won seventeen consecutive dual meets since joining OHS, feels that the team should continue to go undefeated in quest of another county title. This is based primarily on the solid running depth of the 1970 squad. Captain Leon Rosenberg and his brother Andy should continue to dominate the running events with help from Billy Paul, Dave Cooper and many others. John Vette, the returning Eastern States champion in the pole vault, will lead the field events. It should be another successful season for OHS in track.

The Sailors, led by Captain Andy Rosenberg and spirited on by female managers, concluded a successful 1969-70 season. The mile relay team of Andy and Leon Rosenberg, Billy Paul and Dave Cooper was the only group to represent Long Island schools in the Olympic Invitational Meet at Madison Square Garden. The Sailors, strongest in the running events, finished second in the South Shore Meet and captured third place in county competition.

Individual Riflemen Standout

Led by Captain Roger Gorman and freshman Steve Frisone, the Sailors bowled to a South Shore title. Although OHS was only able to capture third place in the County matches, Coach Ray Imbro is looking forward to a good season next year with an experienced and growing team.

A general lack of depth of the rifle team led to an unsuccessful season this year. However, the bright spot on the team was Captain Randy Van Wicker who individually excelled in South Shore I. Coach Thomas Fetherston hopes for improvement next season.

The Sailors, after crushing Mepham 4-0 for the South Shore title, went on to defeat Mineola in a grueling 2-1 victory for the County championship. Then, the bootmen captured their second straight Long Island Crown by downing Brentwood handily, 5-1.

Tenacious Secondary Puts

The Sailors were hampered once again by a general lack of size and experience on the line, but managed to finish the season with a respectable 4-3-1 record. Jim Trenz, winner of the MVP honor, excelled in his first year as a varsity player. The secondary defense of Jim Frey, George Toyas, and Bob Shaw was considered by Coach Kessenich to be his best ever. The Sailors look optimistically to a successful season next year in a balanced division.

Sailors High in Division
The gymnastics team suffered a mediocre season due to a general lack of varsity experience. John Vette was the standout on this year's squad. He gained second place in the divisional meet in the all-around competition. Coach Vercruysse has a few promising underclassmen in Ronnie Gruber, Brad Stein, and Bob Farb.

High Scoring Sailors Reach South Shore Playoffs

Spurred on by the leadership of Coach Frank Januszewski, the Sailors compiled an impressive record of 15-5 in 1970. Captain Josh Most joined with Neal Rosenberg to provide a potent double scoring punch. Most averaged better than 20 points per game and Rosey was close behind. Tall Tex Ritter was a strong rebounding asset. This plus the sparkling ball handling of Steve Lungo and Warren Kaplan, and a strong bench, gave Coach Jan another championship team.

This is Mr. Jan's last year as coach of the Sailors. Over his sixteen years with the team, he gained the image of a calm, quiet, productive and dedicated coach, and it will be difficult for OHS to replace such an inspiring figure. The Spindrift pays tribute to a very deserving sportsman.

Netmen Third in South Shore I

After losing many seniors to graduation, the tennis season for Coach Thomassian was one of rebuilding. Lary Rosenblatt was outstanding at first singles. Junior J. B. Goldman compiled a record of 11 wins against one defeat. Overall, the team finished third in Division I with 8-4 record.
It was a disappointing year for Coach John Hay's harriers. The loss of a solid squad of seniors left the team with a few seasoned runners. Captain Billy Paul turned in fine consistent performances throughout the season. With a predominantly young team, Coach Hay expects improvement next year.
Passions will part to a strange melody

we're puppets to the silver strings of souls-

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their creator with certain unalienable rights, that among these are life, liberty, and the pursuit of happiness. That to secure these rights, governments are instituted among men deriving their just powers from the consent of the governed. That whenever any form of government becomes destructive of these ends, it is the right of the people to alter or to abolish it, and to institute new government . . .
